

## **Special Regulatory Statutes in Place for All Mystery Shops Performed in the State of Nevada**

The state of Nevada mandates a Nevada Licensed Private Investigator or their qualified and documented employee perform ALL mystery shops in the state. National Shopping Service is compliant with Nevada laws and statutes.

Because of the above-mentioned state requirement, there may be special supplemental fees associated with each mystery shop performed in Nevada. These supplemental fees are in addition to the National Shopping Service per shop fee. These supplemental fees are dependent on the project size and complexity and may vary.

The Nevada statutes can be found:
